

Orthoptist/Ophthalmic Technician/Optomtrist

South Street Eye Clinic Perth WA

Optical (Healthcare & Medical) Full time/Part time

An exciting opportunity for an Orthoptist/Ophthalmic Technician or Optometrist to join our busy team.

This is a full time or part time position across a range of days, hours and sites working with a professional team to deliver optimal patient care within diverse ophthalmology specialties.

Key requirements for this position:

- Must be able to work as part of a team and autonomously
- Reliable, efficient and able to work under pressure
- Ability to prioritise daily schedules and maintain work flow of busy clinics
- Exceptional customer service skills and friendly, positive attitude
- Preferred experience with ophthalmic imaging equipment or willingness to learn is essential
- Flexible approach to work hours and ability to travel to metropolitan sites

Roles and responsibilities

- To set up and assist the Ophthalmologist in all aspects of patient care to enable efficient and effective patient management
- Patient assessments and recording medical history
- Supporting and assisting the doctors with minor procedures and injection set ups
- A wide range of digital imaging and screening using specialised equipment
- Research capabilities
- Maintaining medical stock supplies and administrative tasks

This role requires an experienced individual with the ability to work in a busy and professional team environment with a group of Specialists dedicated to providing excellence in eye care.

A generous salary will be offered to the right candidate. Only those shortlisted will be contacted.

Register your interest to manager@southstreeteyeclinic.com or call 08 9312 6033.
